Novario® WorkshopCase

Der WorkshopKoffer Novario® von Neuland® bietet den Freiraum, den Sie für Ihre kreative Arbeit benötigen. Das praktische Novario®-Boxensystem ermöglicht Ihnen die individuelle Bestückung. Teilt man die Tasche gedanklich in 12 gleiche Rechteckbereiche (siehe Zeichnung rechts), dann passt in jedes Rechteck eine N°One-Box. Kombiniert man zwei beliebig nebeneinanderliegende Bereiche, dann ergeben sich folgende Möglichkeiten:

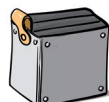

The Novario® WorkshopCase from Neuland® offers you the freedom you need to get the creative work you do done. The practical Novario® box system allows you to compartmentalise your workshop case to suit your needs.
